new books IN THE LIBRARY

VANISHING GRACE

BY PHILIP YANCY

Christians have proclaimed the good news about Jesus for centuries. But the good news isn't sounding so good these days, at least to some. More and more surveys show that people view Christians as bearers of bad news, judgment, and intolerance. In *Vanishing Grace*, bestselling author Philip Yancey acknowledges the problem and then explores how we can respond with both grace and truth.

SOMEONE LIKE YOU

BY KAREN KINGSBURY

One frozen embryo. Two families with life-long secrets. And a guy who never planned to fall in love again. Maddie Baxter West is shaken to the core when she finds out everything she believed about her life was a lie. Her parents had always planned to tell her the truth about her past: that she was adopted as an embryo. But somehow the right moment never happened.

THE WOMAN WITHIN

BY VONETTE BRIGHT

The Woman Within is the first in a series designed as a Bible study complement to The Sister Circle. Women will be challenged and encouraged to uncover the power and joy of a Spirit-filled life.

The library is located near the lower level entrance.
