LOCAL MISSIONS

FEATURED MINISTRY

The Dishwashing Ministry that our church has been a part of for several years has been put on indefinite hold due to Covid-19. The Community Center has decided to do everything internally to decrease risk to those of us coming in and those that participate in the Friday night meals.

I want to take this time to thank all of you that have been faithful and helpful in this ministry over the years. Please lift them up in prayer as they carry on their ministry in a different way.
