Say cheese for CCB!

The church staff needs your help!

Our church management software, Church Community Builder (CCB) is what we use to help organize events, volunteers, and create a directory for those in our congregation. But, a lot of profiles are missing or have out-of-date profile pictures. Please take a few seconds to log in and update your profile with a new photo!

Don't have an account?

We have a link on our app and website to our church CCB, or visit alexandriacovenant.ccbchurch.com and click on "Request Account".

Don't have a great photo?

During the Ministry Fair on August 21 we will have a little photo booth setup, so stop by and get your photo taken there!

How to change your photo on CCB:

1. Log in to CCB (link [here](#) or through link on app or website)
2. Click on your profile in the upper right-hand corner.
3. Tap on your picture to take a new photo or upload.
