Financial Peace University

Tuesdays, starting October 25

6:30 - 8:00 pm | Patio

God isn't silent about money. And the church shouldn't be either! Debt, investing, stewardship, money stress... it's all right there in the Bible. Financial Peace University is a nine-lesson course that teaches you how to save for emergencies, pay off debt fast, spend wisely, and invest for your future. Commonsense, biblical money principles that work. Every time. Childcare will be available.

Rural Impact Leadership Conference hosted at Alexandria Covenant Church in partnership with the Northwest Conference and Oak Hills Christian College.

We have been afforded many opportunities to partner with our district churches and other rural churches in the region by **providing pulpit supply, vacation relief, hospital visits, funeral services, music ministry, VBS, financial assistance, technology enhancement, live streaming, and leadership training** to highlight a few ways in which we are able to partner up and share in the ministry of the gospel and Kingdom impact with other churches in our region.

David LeVahn, our Director of Technical Ministries, also aids district and local churches with tech support, guidance, and installation in upgrading and improving their audio and video setups.
