

# FINANCIAL PEACE University

## Financial Peace University

Tuesdays, starting October 25

6:30 - 8:00 pm | Patio

God isn't silent about money. And the church shouldn't be either! Debt, investing, stewardship, money stress... it's all right there in the Bible. Financial Peace University is a nine-lesson course that teaches you how to save for emergencies, pay off debt fast, spend wisely, and invest for your future. Commonsense, biblical money principles that work. Every time. Childcare will be available.

**T**he purpose of the Local Missions Team is to provide opportunities for the church to impact our local community with the love of Jesus. There are a variety of needs that exist in our community. Local mission partnerships have provided a way for us to identify specific needs in our community and to work alongside others who share an interest in helping people. Through meeting the needs of others, we not only live the gospel in life, but we also find opportunities to share the Good News of Jesus with others.

## Prayer Requests
