Global Missions Highlight

Tyler & AnnaRose Johnson of Outdoor Ministry Program

Volunteers with Youth With A Mission in Lakeside, Montana

What is OMP?

The Outdoor Ministry Program is a 6 month course that gives outdoor enthusiasts the tools and knowledge needed to safely use outdoor adventures to bring people to Jesus. Our goal in this program is to disciple and train our students with the technical skills necessary to staff or pioneer an outdoor ministry, as well as the 'soft skills' needed to be spiritually prepared to disciple people through God's creation.

Why OMP?

The need for highly trained outdoor leaders is higher than it ever has been. Today, more and more organizations (Christian and non-Christian) are starting to see the positive growth that the outdoors can bring to their staff, clients, and students. They need someone to lead them safely and confidently. We see the growth that can happen in a person's heart when they are pushed past their comfort zone and faced with the challenges of the outdoors.
