The moms are served a light lunch, while their children are in their childcare. This time for the moms provides a chance to receive love and support from each other and from trained professionals. They are currently in need of help with childcare 11:45 am to 2:15 pm from January through May. Would you prayerfully consider providing help in this area one day per month? If you are interested, contact Chris Wieberdink at 320.766.1340. They meet at Lakes Community Church on Tuesdays at noon, with childcare help needed by 11:45 am.

Welcome to the first edition of *Next Steps Quarterly*! As a church we long for people to read and engage Scripture on their own. We are hoping this and the Resource Wall will allow you to explore different ways to grow in your engagement with the Bible.

In each publication you will have recommendations for books, devotions, podcasts, apps, Bible studies and websites we believe reflect biblically accurate information. Simply scan the QR code on each section to learn more.

BibleProject

This website will help you navigate the Scriptures in many different ways. There is a YouTube channel with videos on books of the Bible and key themes, an app, reading plans, as well as a blog and podcast. Their work is biblically sound and easy to understand!

BibleProject Podcast

These podcast conversations lead to their video content. It is an in-depth look into certain biblical topics by both a layperson and biblical scholar having a conversation. The link will start off their discussion on the Book of Acts to help enhance the current sermon series.

52 Weeks in the Word

By Trillia Newbell

Have you ever been disappointed or frustrated with your inability for consistent Bible study? It can be hard to know how—or where—to start. This book guides you through God's sacred and trusted Word, all while helping you organize your reading and pausing for deeper meditation. The result? Greater knowledge of God, by grace and the power of the Spirit, can lead to wisdom and worship of God. You'll discover treasures—some old to you, some new—help for daily living, hope in times of suffering, and a deep abiding relationship with the God who loves you.

rightnow MEDIA

FREE
ACCESS LINK!

RightNow Media

Did you know the church has a subscription to a 'Netflix' like resource full of video Bible studies, conferences and children's content? Better yet, it's free for you to access! Scan the QR code to create an account and we will be updating and highlighting different resources over the year on the main page of the app along with the thousands of other options available.

Resource Wall

Located next to the Patio is a wall of bookshelves. In this next year we will work hard to bring you a variety of quality materials to enhance your Scripture reading at home. Take a moment to look through the resources in print form. There will be sections highlighting the Pastors' picks, and resources for youth and family, men, women, students, and couples. The material will switch every three months. To encourage you to see what's there you can fill out a piece of paper with what resource you would like to win from the featured selections and drop it in the box at the resource wall. Each month we will draw a new winner to receive the book they've chosen!

Win a book of your choice!

Looking ahead to Easter and Lent:

He Reads Truth and She Reads Truth Lenten Studies

Although this resource is not out yet it will help prepare your hearts and minds for celebrating the resurrection of Jesus, better known as Easter. Lent begins February 22 and their workbooks will be ready to purchase at the end of January through the She Reads Truth and He Reads Truth websites. Lent is a time on the church calendar to prepare your hearts and minds for Easter, just as Advent prepares us for Jesus' birth. Look out for them on the Resource Wall to order early February!
