LOVING JESUS. BECOMING LIKE JESUS. SHARING JESUS.

• TAKING THE NEXT STEPS IN OUR FAITH JOURNEY •

Welcome to the fifth edition of *Next Steps Quarterly*! As a church we long for people to read and engage Scripture on their own. We hope that this and the Resource Wall will allow you to explore different ways to engage with the Bible.

In each publication you will have recommendations for books, devotions, podcasts, apps, Bible studies and websites we believe reflect biblically accurate information. Simply scan the QR code on each section to learn more.

Ten Words to Live By by Jen Wilkin

The next sermon series will be on the Ten Commandments. This would be a wonderful companion to the

sermon series. There are questions at the end of each chapter that would be great to discuss with one another, so grab some friends to go through the material together.

RightNow Media: How to Read Exodus with the Bible Project

The Bible can be hard to interpret. It's lengthy, packed full of characters, and sometimes difficult to tie into daily life. Exodus tells the rescue story of God's deliverance of Moses and the Israelites from slavery in Egypt. In this post, The Bible Project breaks down the book of Exodus—the second book of the Bible—into digestible pieces so we can understand and apply its truths. Whenever learning about a part of a book of a bible, as in sermons on the 10 Commandments, it is helpful to understand the entire landscape of the Book Of Exodus. This includes videos and break down questions using RightNow Media.

Read the Bible in a Year (with Jackie Hill Perry)

Take time each day to listen to the entire Bible in a year. This is a great way to take the scriptures on the go or sit and meditate on the Word of God to read along.
