## Join a Table Group!

**Sign ups are at the lobby counter through the month of May**

Jesus set an example of how to be in community with one another. The most common way was around the table. This summer we will be launching a new opportunity for group life called 'table groups'. You will meet 1 time a month in June, July, and August to discuss the current sermon series around a meal. **Check out all of the table group options at the lobby counter!** There is something out there for everyone, no matter what age or life stage! This is a great way to meet new people in our church! Holly Crowser, [hollyc@alexandriacovenant.org](mailto:hollyc@alexandriacovenant.org)

**We are grateful for all the family, friends,  
and ministry partners who have encouraged  
these students on their faith journeys and  
continually pointed them to Jesus.**

**-Sarah Erickson, Director of Middle School Ministry**

**Please join us in praying for our students as they continue on in their faith journey:**

- Pray that our students would experience the presence of God in their lives and continue to put their trust in Him
- Pray that our students would be equipped and encouraged to live set apart lives that reflect Christ to those around them
- Pray that our students would continue to develop a love of God's Word and a desire to be shaped by it
- Pray that our students will boldly share Jesus with those around them
- Pray that our students would be able to find godly friends and adult role models who genuinely care for and encourage them
- Pray that our students understand their identity is found in Christ and not in what the world or others say about who they are or what their value is.
- Pray that as our students wrestle with deep questions, God would reveal His truth to them and help them to understand.
- Pray that our students would be able to hold firmly to their faith and not be swayed by ever changing cultural norms.
- Pray that, in a world where information and opinions are so easily accessible, and moral relativism is prevalent, they would be able to discern what is true and right.
- Pray that our students would be able to let go of the pressure they feel to be enough and recognize the grace that comes with knowing that in the eyes of Christ, we are loved because we are His, not because of what we have to offer.
- Pray that our students will continue to prioritize their personal relationship with God
- Pray that our students continue to discover the unique gifts and passions that God has given them and use them to serve others and glorify Him.

**Join me in praying Ephesians 3:16-19 over our students daily:**

"I pray that from his glorious, unlimited resources he will empower you with inner strength through his Spirit. Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God's love and keep you strong. And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is. May you experience the love of Christ, though it is too great to understand fully. Then you will be made complete with all the fullness of life and power that comes from God."

## Global Missions Highlight

**Tori Jeseritz from Youth With A Mission (YWAM)**

I have the honor of getting to serve with YWAM in Kona, Hawaii. I am helping lead the Endeavor DTS, a pioneering school that was started in 2023. A DTS is a 6-month program created to help young adults go deeper in their faith and be trained for cross-cultural missions. In the last two years we have had 200 students attend and have sent out 22 short-term outreach teams all over the globe. My heart is specifically for the nation of Nepal, which I have been able to lead three 3-month outreaches to, and hope to move long-term there in the future.

**If you are interested in learning more about what I do or partnering with me financially, feel free to reach out to me by email at [jeseritzt@gmail.com](mailto:jeseritzt@gmail.com) or by phone at 320.335.1204.**

*photos: group photo is our 2023 Endeavor DTS class and the other photo is of myself and my dear nepali friends Manju and Anju (and her daughter) that I met 3 years ago in Nepal and have gotten to see again the last two years.*
