Last weekend, 45 of our middle school students and leaders traveled to MUUUUCE, an annual event hosted by the Northwest Conference. MUUUUCE (Most Unbelievable, Ultimate, Urban, Camping Experience) is a high-energy, three-day event designed specifically for middle school students, combining fun, friendship, worship, and teaching centered on Jesus. Throughout the weekend, students enjoyed inflatables, games, improv comedy, and a trip to Valleyfair, along with engaging worship and messages built around the theme "Found," based on Jesus' parable of the lost sheep in Luke 15. Students were

reminded of the incredible truth that God cares deeply about each one of us. He actively seeks us out because He desires a relationship with us. We are especially grateful to celebrate what God did in the hearts of our students. One student made a first-time commitment to follow Christ, and five others recommitted their lives to Him. We are so thankful for the opportunity to walk alongside these students and celebrate the ways God is drawing them closer to Himself.
