Guarding Hearts of Grandchildren

Sundays starting today
9:30-10:30 am | Room H103

Grandparents have a unique role and biblical calling to spiritually influence their grandchildren. This is a 3-session course that equips grandparents to help guide their grandchildren in understanding God's good design and plan for sex, marriage, children, and identity. Culture will tell your grandchildren what to believe; they must hear biblical truth from people they can trust, that includes their grandparents! Rooted in Proverbs 4:23 (Guard your heart) and Proverbs 13:22 (Leave an inheritance to your children's children), the course encourages grandparents to share biblical truths about sexual integrity and God's protective design. This course is to encourage and support you in the biblical calling of being an intentional Christian grandparent.

By moving away from ritualistic or habit-based prayer, we learn to cultivate a relationship with God that flows from a heart of faith. Explore this rich theology of prayer and learn to worship God as He intended.
